

## Why ID Theft Assist?

*ID theft victims lose an average of \$16,000 in unrealized income from working on the recovery on their own. \**

*Less than 20% of ID theft victims were pleased with the response from their financial institutions or credit issuer. \**

*Victims of Identity Theft commonly indicate, "There was nowhere for me to go for help."\*\**

**Family Service \*\*  
\$149.95 Per Year**

## **Proactive Pre-Incident Components**

**Provided at No Additional Cost!**

- Daily Alert Credit Monitoring
- Notice given when a change appears on your credit report and instruct you how to receive details on the change
- Initial Credit Report
- Toll Free Customer Support Line for technical assistance and general credit-related questions

### **SERVICES**

#### Getting the Facts

- Provide unlimited 24/7 telephone access so we're there when you need us
- Complete initial assessment to determine if fraud or theft has occurred
- Provide ID Theft Action Kit

#### Contacting Creditors

- Help you fill out and submit an ID Theft Affidavit on your behalf to the proper authorities, credit bureaus, and creditors
- Report your ID theft to the Federal Trade Commission
- Notify Postal Inspector
- File a criminal report and forward it to the creditor and the Social Security Administration

#### Restoring Your Good Credit

- Notify all three major credit reporting agencies of the ID theft
- Help you place a "Fraud Alert" on your credit report
- Cancel and replace checks, ATM, and credit cards
- Review "real time" credit report with you and identify any fraudulent accounts of activity
- Contact creditors with itemized fraudulent account statements for each fraudulent occurrence

### **BENEFITS**

#### Free Legal Consultation

- Free initial legal consultation to help you determine the best legal action to take against creditors if they are not cooperative in removing fraudulent entries on your credit report
- Draft a victim statement if your identity thief is apprehended and stands trial

#### 26 Languages Spoken

- If your identity theft occurs away from home, we can provide you with an emergency cash advance when necessary
- Provide translators if you are traveling internationally and need help communicating with local law enforcement
- Provide translators if you are not a fluent English speaker

#### And More!

- Provide Family Coverage\*\*
- Teach you how to avoid further occurrences of identity theft
- Provide advice for ancillary problems, such as giving you the information you need to replace your personal documents, like your Social Security card or driver's license
- Provide 24/7 unlimited telephone access to Master's level consultants to help you work through the stress and anxiety

\*\* Family members are covered and include the covered member, spouse or domestic partner, children under age 21 who live with the covered member, and children under 24 who are full-time students. Domestic partner means anyone living in a domestic partnership with a covered member as a relationship between two cohabitating people unrelated by either blood or marriage, regardless of gender, who are over the age of 18, share the common necessities of life, have resided together for at least six months prior to subscribing to our product. In cities and/or states where domestic partnership registers are available, enrollees need to be registered to be covered.
